QUOTE. The Security Council,

Having considered on an urgent basis the communication of the Government of Guatemala to the President of the Security Council (S/);

Noting that the Government of Guatemala has dispatched a similar communication to the Inter-American Peace Committee, an agency of the Organization of American States;

Conscious of the availability of inter-American machinery which can deal effectively with problems concerning the maintenance of peace and security in the Americas;

Refers the complaint of the Government of Guatemala to the Organization of American States for urgent consideration;

Calls upon all governments concerned to act in accordance with the principles of international law and practice relating to situations of this character;

Requests the Organization of American States to report to the Security Council, as appropriate, on the measures it has seen fit to take in the premises. END QUOTE.
